“Little children, keep yourselves from idols.” 1 John 5:21

What a great reminder that John challenges us with in his last verse of this great epistle. We don't struggle with bowing down to statues of representations of false deity's. Our idols are more subtle, careers, hobbies, relationships steal us away from our Lord. Anything we put in front of Him is an idol! John knew our tendencies and commands us to be on guard. Take an assessment of your own life and see what your priorities are and answer honestly. Which by the way your life will already answer it. Whatever you spend your time and talents own is your priority!

I am so grateful that we are slowly beginning to move forward in this pandemic. On March 21st we are planning on opening our nursery for ages 4 and under. They will be meeting in the fellowship hall. This will be the next step in getting our church back open and moving forward. Our prayer is to be having Sunday School and children's church on site starting in April. We realize we need to take every precaution in taking these steps. We are all saddened by the loss of the Todd General Store. Please keep Matt and Andrea and their children in your prayers. So thankful no one was hurt or any loss of life; thank you Lord Jesus! I am so thankful for the love of Christ that was shown to Samantha Zubor and her children with the passing of Scott, her husband. I saw Christ in His people and that is a great thing to see as your pastor. I have never been more proud in the Lord because of this! Please continue to pray for Chloe Garwood as she battles her sickness. Keep the Garwood's covered in prayer. Sandy and I are so thankful for you all and blessed to call you our South Fork Church family!

For His Glory,

Pastor David
